Attorneys at Law

Where Trust and Value Meet™

A Legal Partner to the Energy Industry

ABOUT US

Since our founding in 1986, Babst Calland has built a strong track record and excellent reputation for representing clients in all areas of the energy and natural resources industry. We are best known for our experienced legal team and comprehensive approach to legal solutions. We complement that with a strong environmental practice and regulatory capability that leads to a strong partnership with our clients. Babst Calland is recognized nationally by U. S. News & World Report - Best Law Firms and Best Lawyers® in various practice areas.

LEADING ADVISORS FOR THE ENERGY INDUSTRY

Babst Calland's Energy and Natural Resources clients benefit from a reliable, accomplished, and qualified legal team with the experience to provide a well-planned strategy to prevent or react to any business challenges.

We support our clients' short-term and long-term goals while applying the necessary laws and regulations. Our team supports these initiatives with quality deliverables, always working to ensure efficient and effective projects for our clients.

Babst Calland works collaboratively with in-house counsel, executives, and other outside advisors to provide legal solutions and support our clients' best practices in a timely and cost-effective manner. Energy clients across the country trust Babst Calland to help solve their complex legal problems that impact their businesses and their bottom line.

OUR TEAM OF ATTORNEYS COMBINES SKILL AND VAST EXPERIENCE IN THE PRACTICE AND SUBJECT AREAS SHOWN HERE. ►
