Washington, DC and Pittsburgh, PA

Babst Calland announced that Attorney **Natalie Baughman** has joined the firm's Washington, DC office as a shareholder and member of its Environmental practice group.

Natalie Baughman has a deep expertise in CERCLA site remediation, particularly in complex, multi-party cleanups involving decades of contamination. Her practice also includes representing clients in enforcement actions, environmental litigation, and permitting and compliance matters arising under the Clean Water Act, Safe Drinking Water Act, and state environmental laws.

Prior to joining Babst Calland, Ms. Baughman worked in the U.S. Department of Justice's Environmental Enforcement Section and the District of Columbia's Department of Energy and Environment, where she oversaw the agency's work on the CERCLA cleanup of the Anacostia River and numerous other contaminated sites. Ms. Baughman has represented clients in administrative and civil judicial enforcement cases in both government positions.

Ms. Baughman earned her B.S. from Northwestern University in 2002. She received her J.D. from the University of Maryland School of Law in 2009.

Ms. Baughman is admitted to practice in the District of Columbia and Maryland.
